OPENING PRAYER

Worship is the heartbeat of the church.

It is the place where we meet God.

It is the place where we are transformed.

It is the place where we are renewed.

It is the place where we are saved.

It is the place where we are made new.

It is the place where we are loved.

It is the place where we are forgiven.

It is the place where we are reconciled.

It is the place where we are restored.

It is the place where we are made whole.

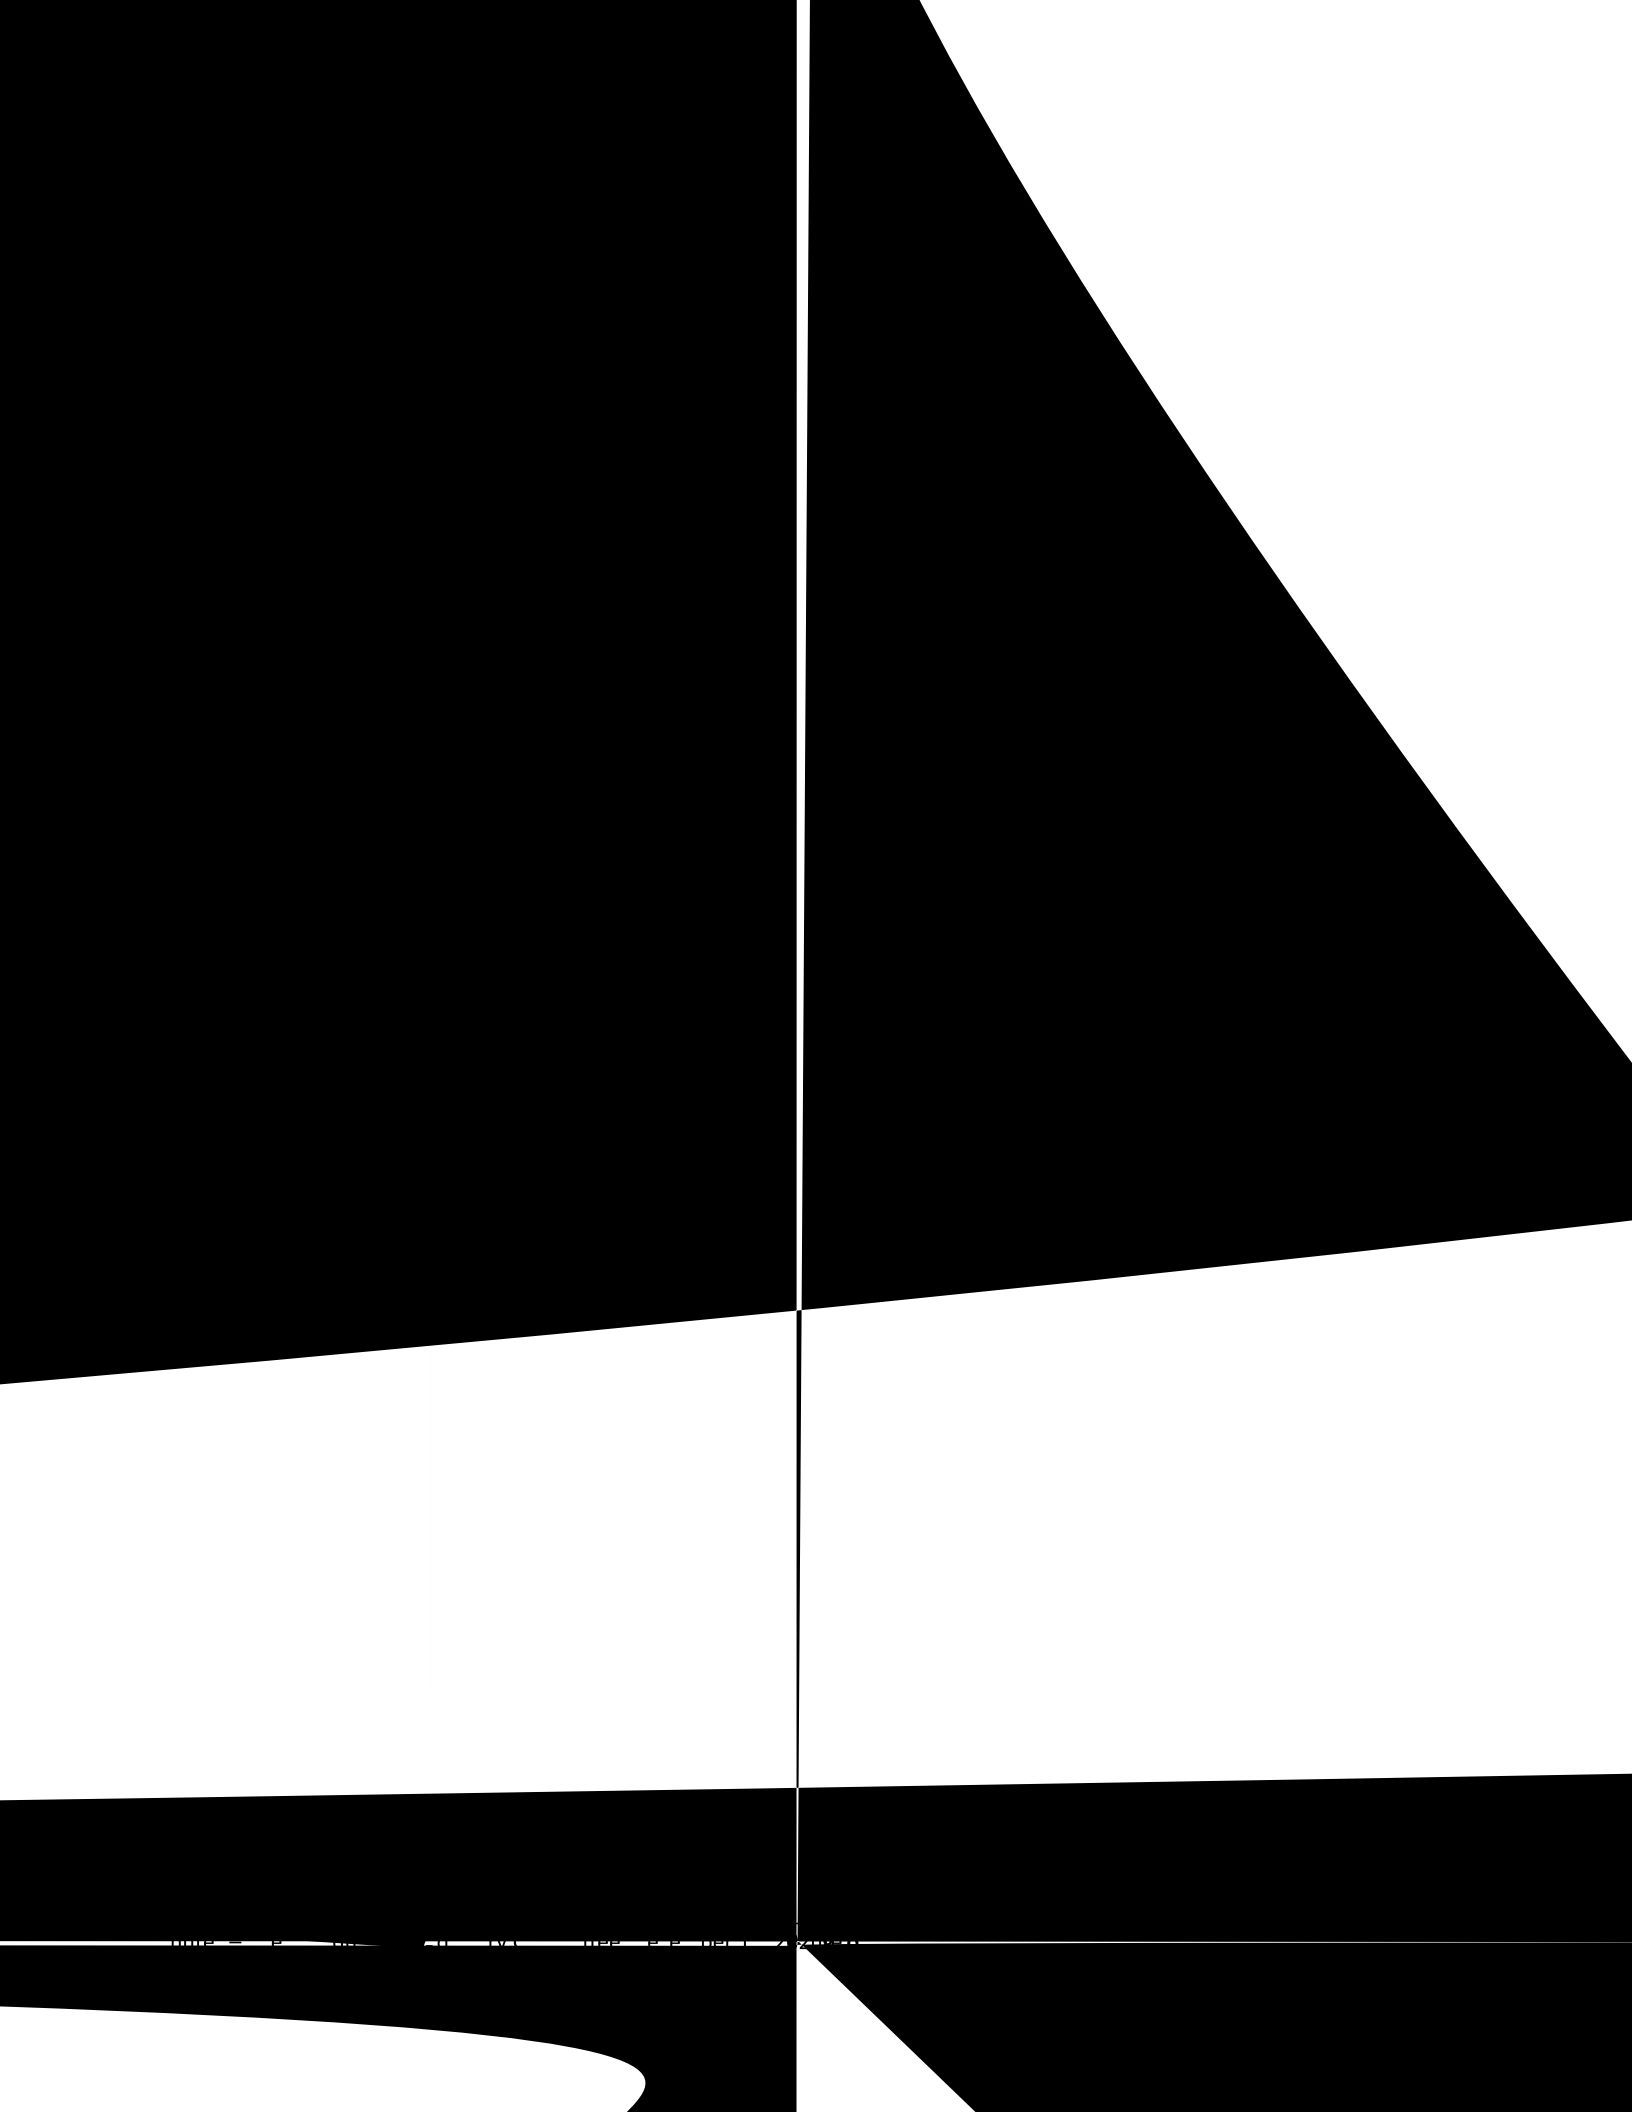

! Can't Acknowledge it

We are here to pay tribute to the Mississauga of the Credit First Nations, and we are here because this land was occupied by First Nations people. It is a space that has been colonized by First Nations people, and out of respect for their history and culture.
